

## American Flags

The American Flag flown in front of businesses 7 flag days a year are not a SWBA project.

The program is run by the Portland Oaks Bottom Lions Club. They contract with Boy Scout Troop 64 to put out and take down the flags. They cover the Brooklyn and Woodstock business areas also. They do over 130 flags, and are always looking for more locations.

Businesses pay \$35/year, with the proceeds used to by flags and support the Scouts and the Lions.
